THE TIGER

FIREWORD

This, the fourth edition of "THE TIGER," is the last Washington High School annual to be published. Next fall, the consolidation of the Washington and Wilkes County schools, which was begun ten years ago, will be completed. The combined school will be called Washington-Wilkes County High School. We welcome this step of progress which brings our neighbors into fellowship with us, for we are certain that the combined spirit of both fine schools will make an important contribution to the old and new spirit of the school. . . the spirit that is evident today in the friendliness among students and teachers, in the enthusiastic support of school-related activities, and in countless other ways which we have tried to portray in this 1957 edition of THE TIGER.

Editor

DEDICATION

To
Mrs. Mary Hill

who, during her teaching career at W.H.S. has devoted herself to the upbuilding of scholarship and character;

who, by her sincere personal interest in us, the students of W.H.S., has helped us to understand ourselves better;

who, by her ability to instill in us reverence for God and all mankind, has inspired us to aim for higher goals;

who, by her fine Christian example, has shown us how to apply our knowledge;

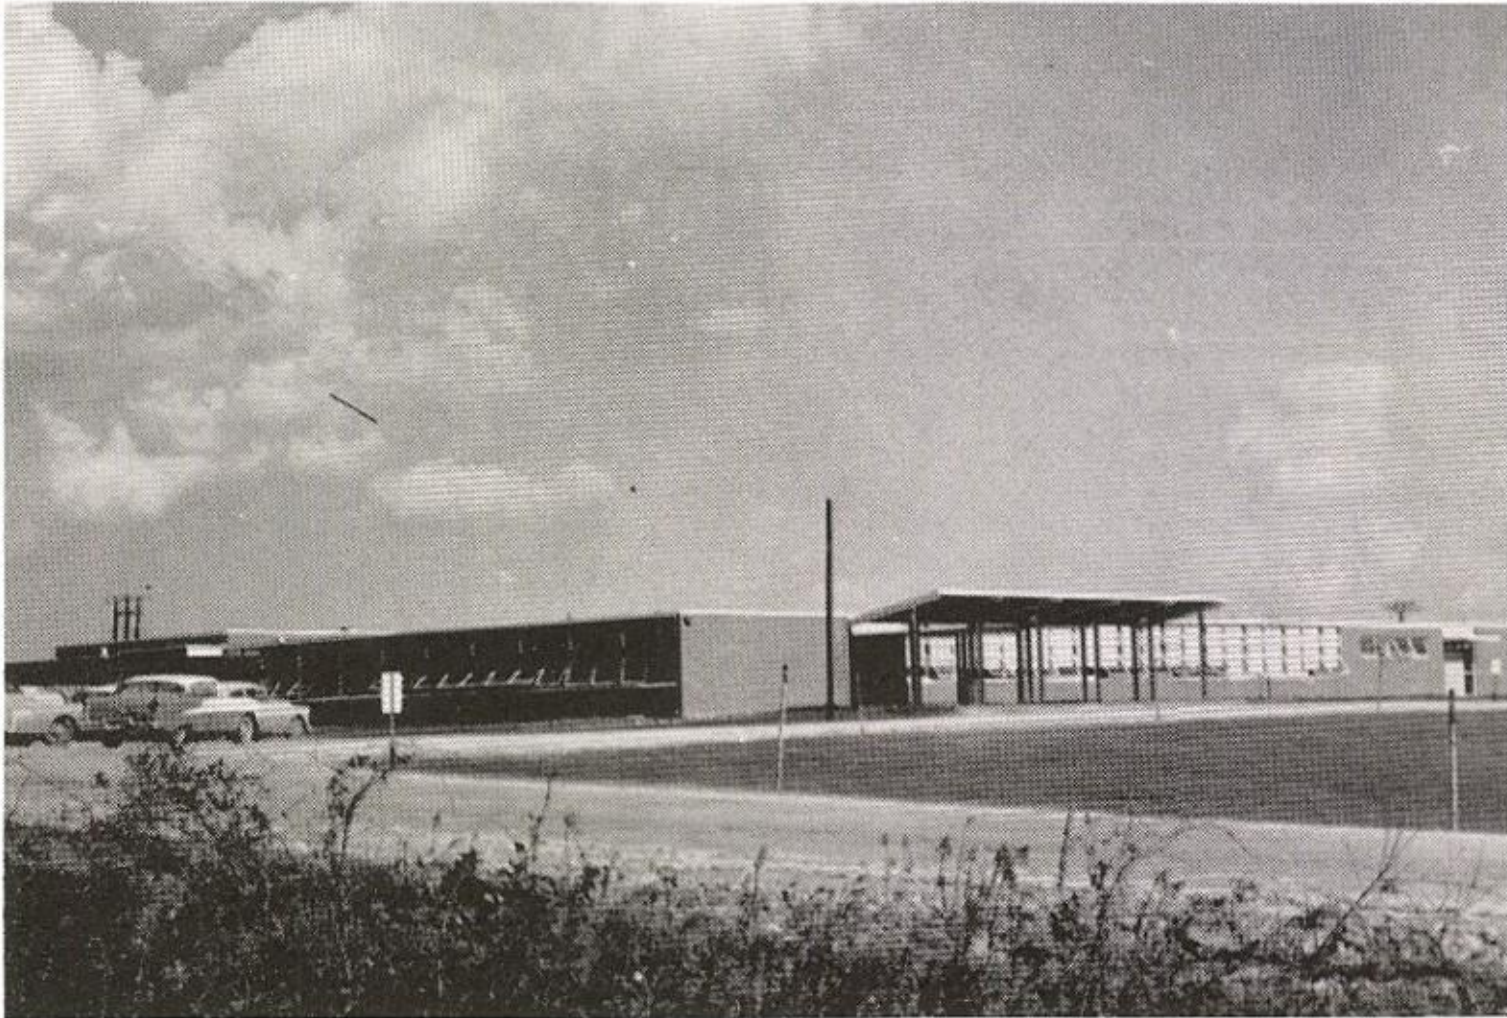

we lovingly dedicate this 1957 edition of THE TIGER.

OUR SCHOOL

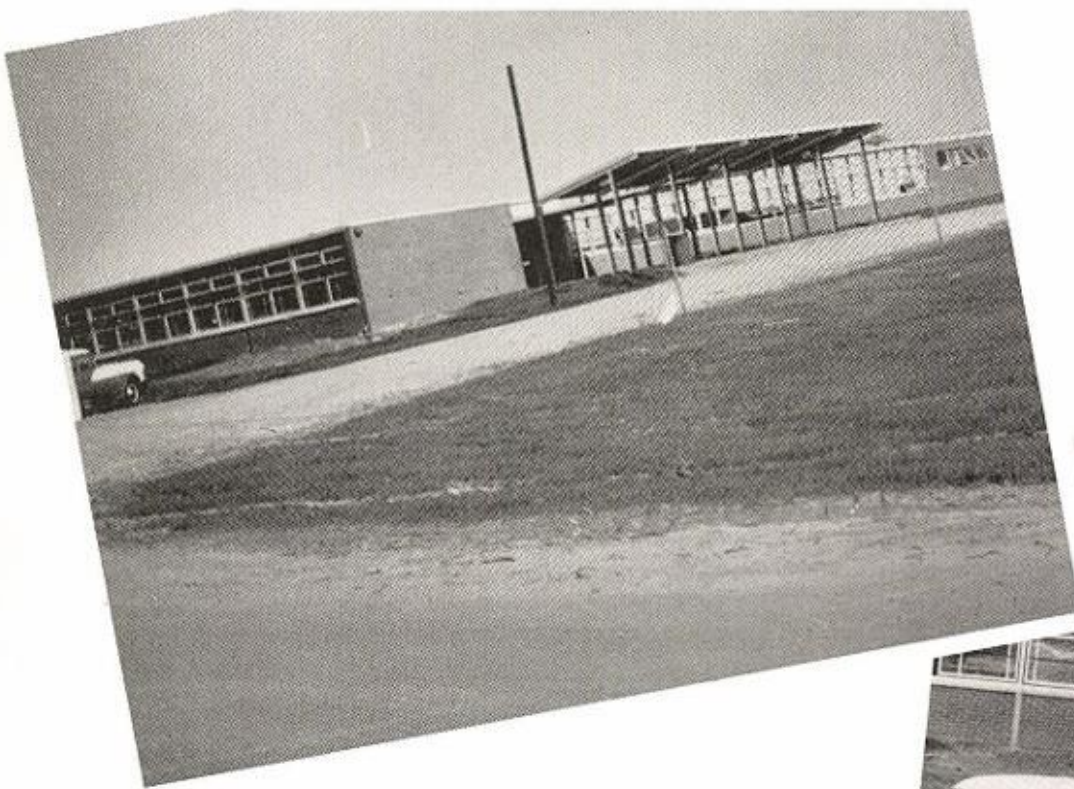

From earliest time the lamp has been a symbol of learning. Its association with light, without which there would be no life, has something to do with this. The image of learning as a beacon light upon a high place is traditional. It is this symbol which we are trying to develop.

We have here in our county a light that shines out as a symbol of learning. This is our high school.

ALMA

1. Washington High, our Alma Mater
Here's a toast to you
And to all our friends and classmates
We will e'er be true.
Many are the hours we've spent here
Days and long years too
But for all we'd not exchange them
Dear Old Gold and Blue.

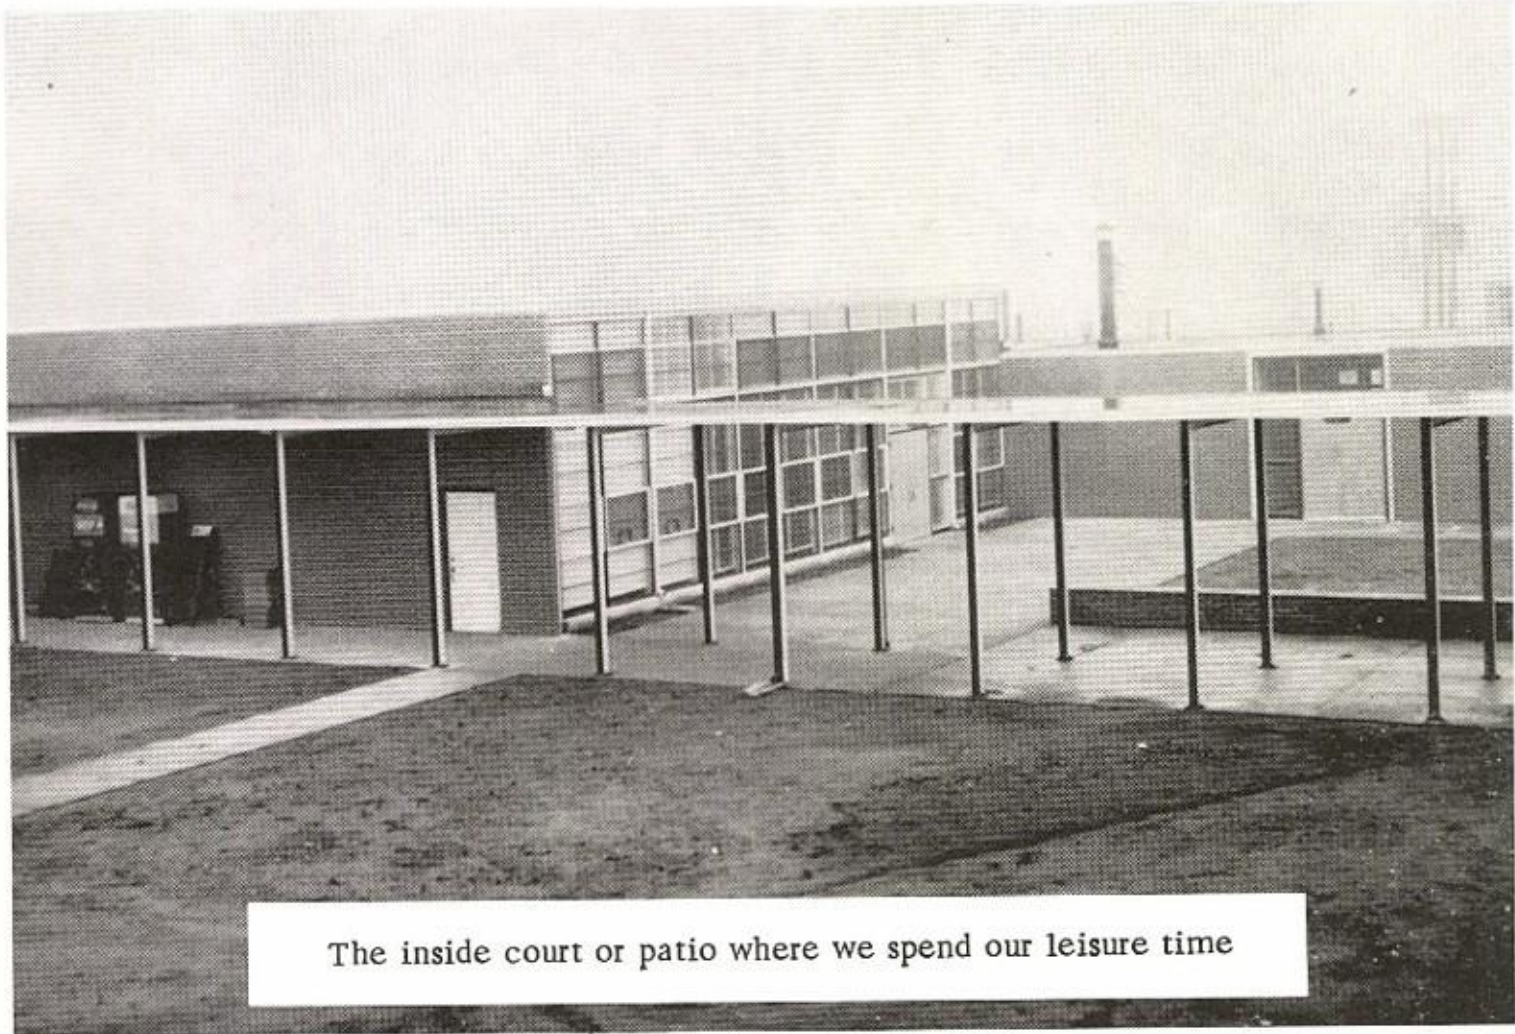

We are proud of our new county high school building. These pictures show different views of the front entrance as it looks today. With landscaping this entrance will take on a different look - but the same spirit or light that has shone so greatly in the past will continue to shine forth - even more brilliantly.

OUR SCHOOL

Our school can be classed as a light or lamp that shines in the skies and sends its rays of light to the sky and causes us to know that there is hope and life in the future for those who are willing to keep the flame burning instead of desiring darkness.

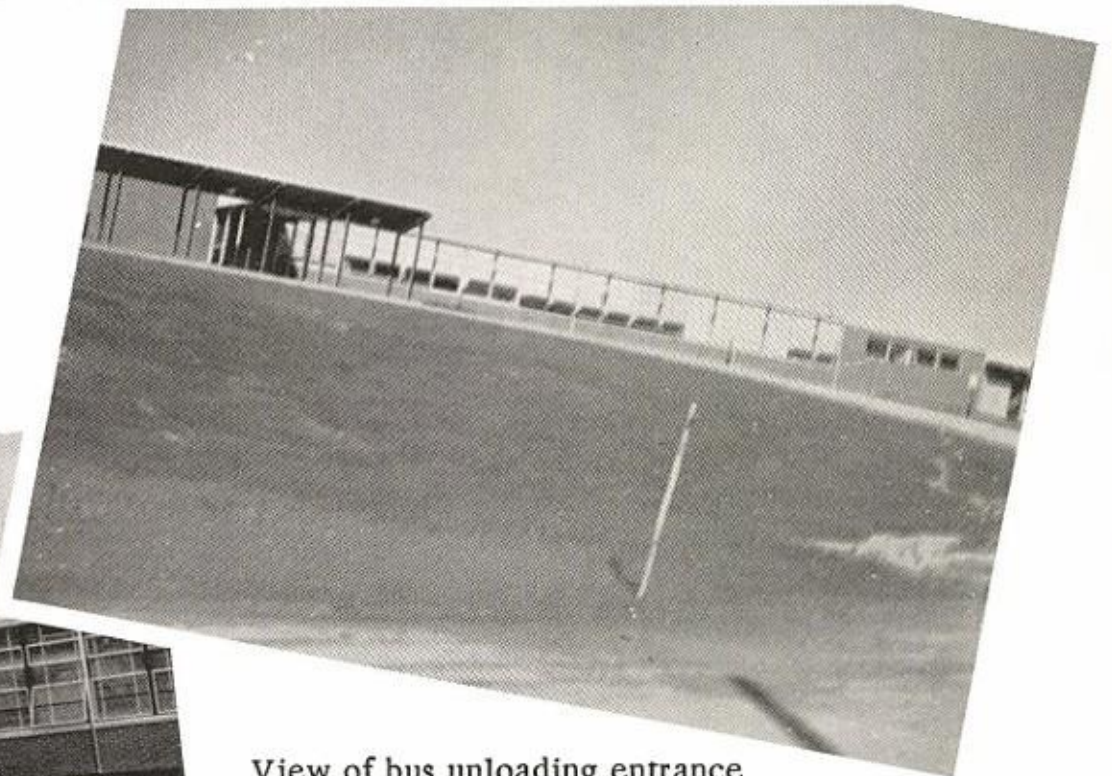

We know there is much to gain and nothing to lose by following the symbol of light and climbing higher.

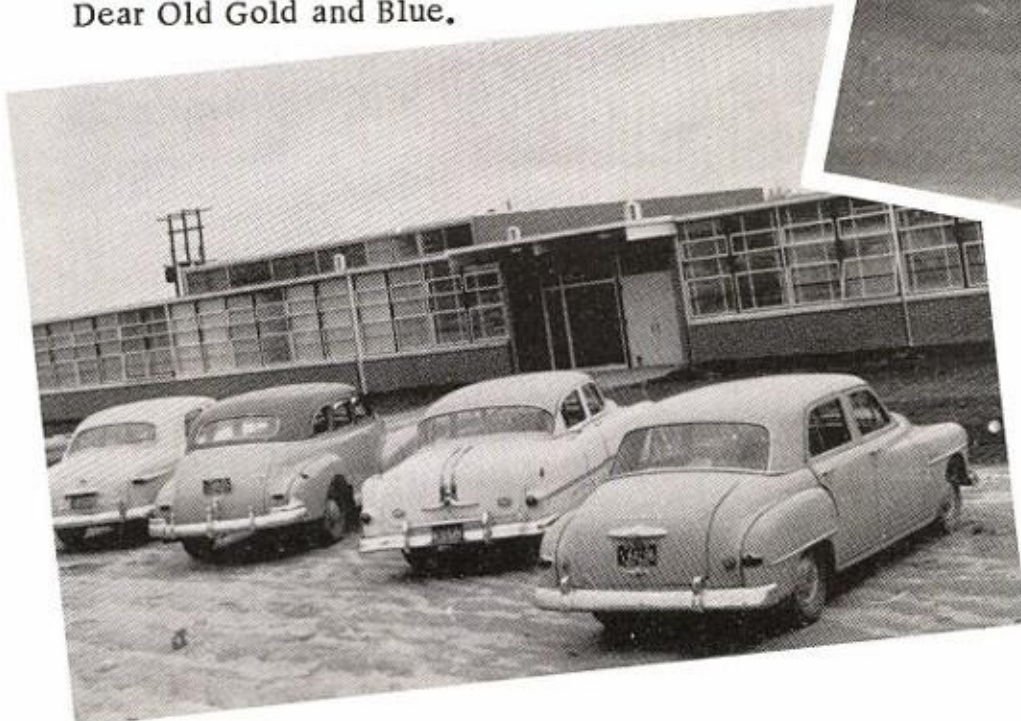

The inside court or patio where we spend our leisure time

MATER

2. Washington High, our Alma Mater
You have served us well
And with grateful hearts we thank you
More than we can tell.
You have giv'n us our foundation
That will help us through
So we'll never cease to love you
Dear Old Gold and Blue.

OUR SCHOOL

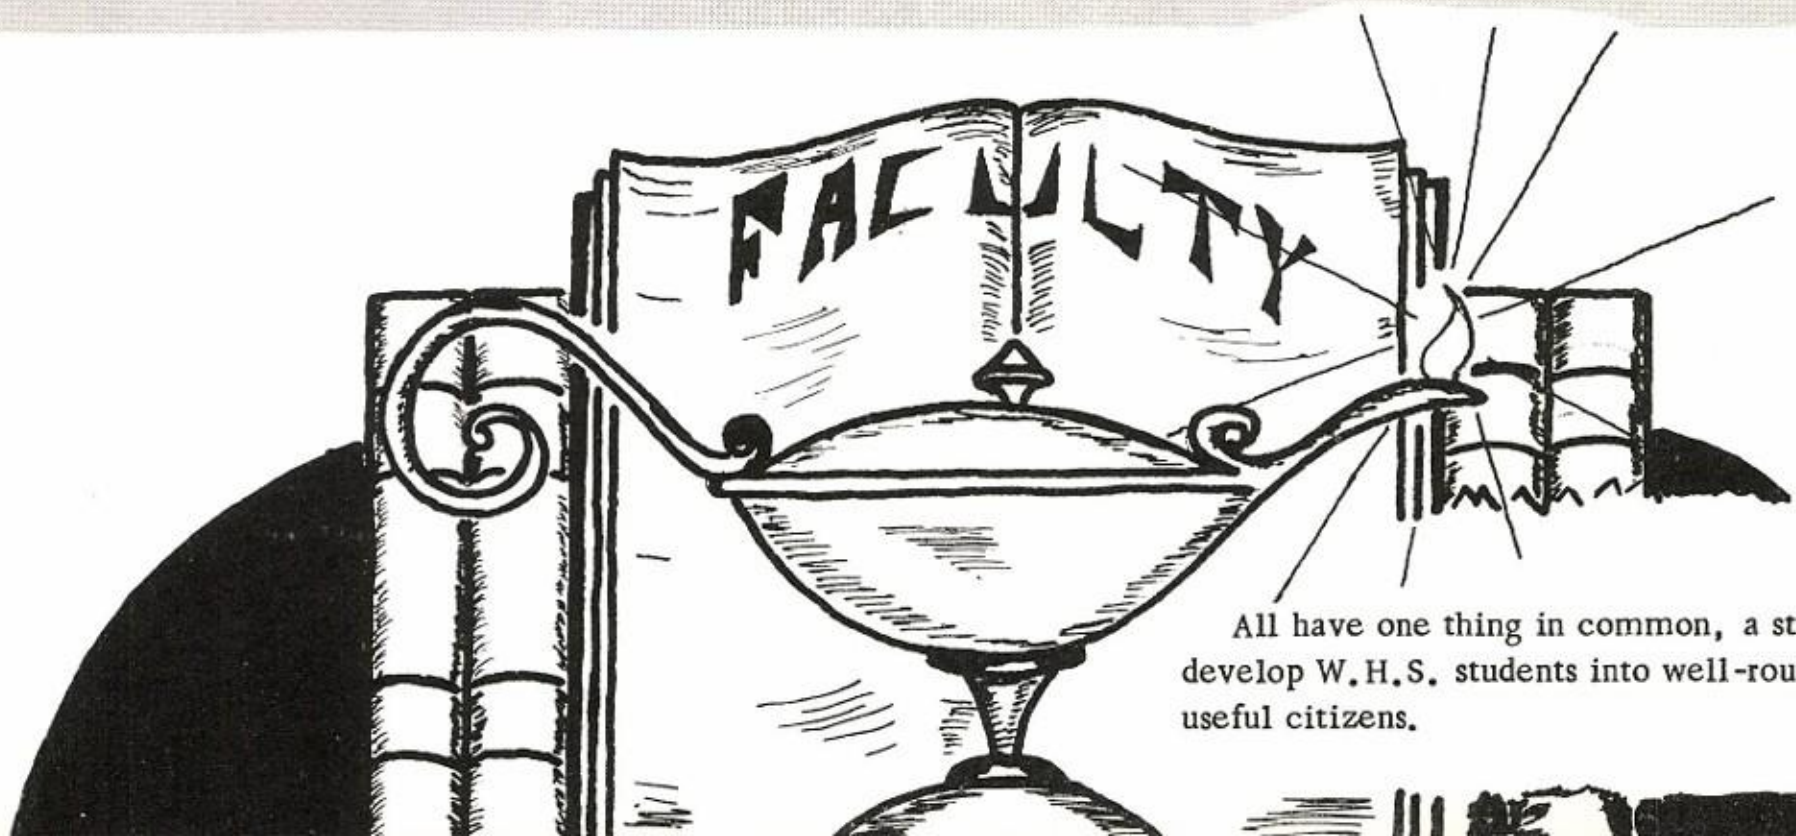

We must try to be one of the lights that shine in our school if our teachers and parents are willing to lend a helping hand in every way possible. Be a shining bulb in this great light that stands on a hill in an age that needs men and women to be leaders or light bearers.

Another view of the side entrance

Fond memories are ours as we leave this old building. The past and present will blend together for a greater future.

All have one thing in common, a striving to develop W.H.S. students into well-rounded and useful citizens.

AWARDS

In the many phases of student life,
awards come to the most deserving.

Mrs. John C. Burdette, center, and Joyce Bennett, right, representatives of the Washington (Ga.) High School, accept on behalf of their school, a Freedoms Foundation honor medal from Dr. Kenneth D. Wells, president of the foundation. Presentation of the award was the first event in a three-day Freedom Pilgrimage in which Mrs. Burdette and Joyce joined teachers and students from 60 other schools throughout the nation to visit American historical shrines. Their school won the privilege of being represented on the pilgrimage by being selected as one of the 60 schools in the nation to receive the Principal Award from the Freedoms Foundation.

CHOIR

The Washington High School Chorus composed of 49 students has for its goal singing for the enjoyment of others. This group sponsored several concerts each year as well as singing for local civic organizations, the Georgia Music Education Association Music Festivals. At the music festival last year the chorus received a superior rating.

The chorus was invited to sing at the state Georgia Education Association conventions last spring.

Ensembles from the choir have already made several out of town appearances this year.

HIGH SCHOOL BAND

A rating of "excellent" was received by the High School Band at the Region four Festival. They appeared at all the football games, both at home and away; participated in the initial University of Georgia "Band Day;" marched in the Santa Claus Parade in Augusta and in Washington, and presented two concerts.

This year's drum major was Mitchell Willis; head majorette, Dottie Shook; and majorettes Vivian Armour, Eleanor Powell, Genie Thomas, Dorothy Waters, and Sally Ann Wickersham. Band officers were Joyce Bennett, President; Lawrence Burton, Vice President; and Sally Ann Wickersham, Secretary and Treasurer.

SUN-FUN FESTIVAL

The trip made by the band to Myrtle Beach June 7-9 for the Sun-Fun Festival and the Miss South Carolina Beauty Pageant has a multitude of wonderful memories for the band and the chaperones.

A chartered bus made the rather dismal-weathered trip to Myrtle Beach, but the weather was forgotten when we were greeted royally and warmly by the Myrtle Beach Fire Department members and their wives, who served our supper at the Rec. Hall. The boys were bedded at the Fire Department, while the girls were housed at the pine-paneled Recreation Hall about two miles from town. The girls were fortunate to have a free-playing juke box, a piano, and a ping-pong table. That night we were guests of the Fire Department at the first part of the Miss South Carolina Beauty Pageant. Luckily, we saw Marian McKnight, who now reigns as "Miss America," as well as Mickey Spillane who was a judge, and Sharon Kay Rickey, the past "Miss America."

Emily C. Johnson, Doris Dyson, Laura Meadows, Kay Callaway, Sid Hopkins, Larry Stover, Jimmy Newsome, Donnie Davis, Diane Russell, Carolyn Trantham, Charlene Roher, Betty Wheelis, Evelyn Clarke. Second row: Dickie Hoffmann, Paul Turmon, Johnny Talkington, Tom Smith, Carolyn Scott, Dickie Garrard, Melanie Craycraft, Mike Corry, Frankie Eubanks, Henry Hopkins, Frankie Jackson, Jacqueline Baston. Third row: Cluadia Simpson, Allan Callaway, Billy Lynn, David Bentley, Jeffry Lynn, Howell Luncford, Harriss Blackmon, Linda Lucas, George Walton, Bobby Garrett, Joe Dyson, Terry Bridges, Howard Griffin, David Wickersham, Lynn Davis.

CADET BAND

The Cadet Band participated for the first time in the Region four Music Festival held last spring in Gainesville. The 30 piece band gained a rating of "excellent." This year the band has enlarged to 40 members and they will enter the Festival to be held in Athens, March 8.

They have presented concerts jointly with the High School Band and joined with them at the last home football game to form "W-H-S!" At that time there were over 100 musicians on the field.

SUN FESTIVAL (continued)

The big parade took place on the next day with "meeny, meeny" floats, bands, and beauty queens. Our band was one of four which was applauded by the huge crowd at the Pavilion. Following a concert for the Fire Department that night, some went to the Joe Chitwood Thrill Show in a Fire Department truck driven by "Mr. B" while others spent much "moola" at the boardwalk and on the rides.

Each day we ate together at a restaurant which was reserved for us; we took over the beach - and the ocean; the bus was at our beck and call.

Prior to leaving Sunday morning, we all assembled at the Rec. Hall, where Rev. Owen Hoffman conducted our church service. Then we headed for home - tired, but happy for the good time we'd had. Many thanks go to the Myrtle Beach Fire Department, Chief James Callaway, Joe Dyson and the chaperones for a truly good time. The chaperones even agreed we'd behaved ourselves, as they knew we would.

What more can be said of the trip than "Lotsa sun! And lotsa fun!"
